

# B11LED5W

4.9 Watt B11 LED Lamp, E12 Base  
120V

Job Information		
Project Name	B11LED5W-27K-WH	Type
Location	Canadalite.com	
Quantity		Date
Contact/Phone	1(888)887-7038	
Notes		

## Features

### Lighting Performance

Constructed with an aluminum heat sink and high powered Nichia® LED, this lamp has a 4.9 watt power consumption that produces up to 315 lumens. The LED lamp is driven by 120V AC input power from E12 base socket.

### Colour Temperature

Available in 2700K correlated colour temperatures. It maintains a colour rendering index of 80+.

### Lumen Maintenance

The LED lamp reduces ongoing maintenance costs with a 40,000 hours rated LED life, while maintaining 70% of initial lumen output after 50,000 hours projected life.

### Thermal Management System

Durable passive aluminum heat sink is used to manage heat generated by the LED lamp. The heat sink employs a

smooth outer design that resembles a standard incandescent lamp.

### Dimming

The LED lamp supports dimmable functionality (see list of compatible dimmers on page 2).

### Beam Spread

With a high efficiency, precision engineered lens, the LED lamp is capable of providing 250 degree beam spread.

### Operating Temperature

-40°C~40°C (-40°F~104°F)

### Environment

Suitable for damp locations. Not suitable for totally enclosed luminaires.

## SPECIFICATION

Approved Location	Damp
Base	E12
Beam Angle	250°
CCT	2700K
Certification	cULus
CRI	80+
Dimming	Yes
Dimming Tech.	TRIAC
Energy Star®	Yes
Lamp Type	B11
LM79	Yes
LM80	Yes
Lumens	315
Lumens per watt	64.3
Max. Operating Temp.	40°C
Min. Start Temp.	-40°C
Projected Lumen Maintenance	70% @ 50,000 hrs
Rated Life	40,000 HRS
Primary Voltage	120V
Warranty	5 Years
Wattage	4.9

## Description

This 4.9 watt line voltage LED lamp is UV and IR radiation free, minimizing discoloration and fading of materials. LED technology reduces energy and maintenance costs when compared to conventional light sources. Suitable for both residential and commercial applications, approved for damp locations. Can be used as a replacement to line voltage incandescent lamps.

**Notes:** For additional options please consult your Liteline representative.

Due to our continued efforts to improve our products, product specifications are subject to change without notice.

## Ordering Guide

### B11LED5W-27K-WH

4.9W Line voltage LED B11 E12 lamp,  
120V, 2700K, 315 lumens, White.
