### Features

#### Connectivity

Female waterproof 2.1mm DC jack to bare leads. An IP68 rating on the waterproof connector makes it ideal for use in any outdoor application.

#### Construction

Flexible 2 x 20 wire guage, covered with clear coat.

#### Operating Temperature

-20°C ~ 45°C (-4°F ~ 113°F)

#### Compatible Drivers

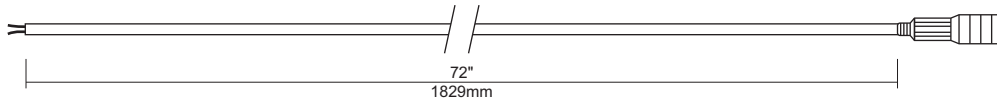

- LED-HW3-24V-60W (for outdoor use)

### Description

The LED-TP-72-PF is a 24V power feed for use with TP5 and TP6 LED tape series. It allows for connecting the LED tape to a hardwire LED driver.

**Notes:** Accessories should be ordered separately. For additional options please consult your Liteline representative. Due to our continued efforts to improve our products, product specifications are subject to change without notice.
