Dimension:

Installation :

1. Read and follow all safety instructions.
2. Do not let power cords touch hot surfaces.
3. Do not install near gas or electric heaters.
4. The use of accessory equipment not recommended by manufacturer, may cause an unsafe condition, and will void the unit's warranty.
5. Do not use this equipment for other than its intended purpose.
6. Servicing of this equipment should be performed by qualified service personnel.
7. Save these instructions for future reference
