

WIRE MANAGEMENT

Barricade & Underground Line Tape

Lockout/Tagout
ULT, BT Series

FEATURES

- **Underground Line Tape:** Underground tapes are impervious to alkalines, acids and other soil components for the protection, location and identification of underground utility installations. Consists of a 4 mil overall thickness, inert 100 percent virgin low-density polyethylene plastic film formulated for underground use and environmentally safe ink.
- **Barricade Tape:** Made of long lasting, non-adhesive polyethylene for exceptional quality, durability and performance. Used above ground to mark off hazards. Supplied in 1,000 ft. rolls.
